

Product Information Sheet: Cleaner & Degreaser 5L & 25L

Floorsaver Cleaner & Degreaser is supplied in concentrate form. Used undiluted it will break down heavy grease and oil on concrete floors prior to painting. This biodegradable floor cleaner is water based and surprisingly powerful. Its low odour and virtually solvent free formulation will ensure the best possible preparation to ensure your floor paint sticks and lasts. Floorsaver Cleaner & Degreaser is so versatile:

- Water based and biodegradable
- Breaks down and removes grease and oil prior to painting
- Tough on stains, easy on the environment
- Simple to use
- Versatile – good all round cleaner
- Available in 5L & 25L containers
- Covers up to 1000m² in its diluted form
- Use undiluted for heavy grease - 5L treats 30m²
- Use diluted with 20 parts water for general cleaning preparation – 5L treats 600m²
- Use diluted with 40 parts water for cleaning and maintaining existing painted floors – 5L treats 1000m²

HERE'S HOW TO USE IT:

Step 1 - Preparation:

- Make sure the floor is dry. Floorsaver Cleaner & Degreaser will be much more effective when applied to a dry surface.
- Sweep the (dry) floor to remove dust and loose dirt.

Step 2 - Application:

- Apply the product to the floor, either as concentrate or diluted as described above.
- Distribute using a broom and leave for a few minutes to soften grease and dirt.
- Scrub with a broom, flush with clean water and allow to dry.

TIP:

- If using Floorsaver Floor Paint the floor must be allowed to dry out. Floorsaver Epoxy Floor Paint can be applied to a surface which is still slightly damp as a result from cleaning.

SHELF LIFE:

12 months, if unopened and should not be allowed to freeze.

SAFETY:

- Please remember, grease and oil solutions should not be poured into drains. They can be disposed of by using a wet vacuum and treated as chemical waste.
- Material Safety Data Sheets are available.
- Product labels provide general safety information.
