

EASYCare

Grout Residue Cleaner

Quickly remove grout haze

1 litre super concentrate bottle

Grout Residue Cleaner can be used on glazed and unglazed ceramic tiles, including any acid resistant surface.

Mild acid replacements and surfactants simultaneously work together to dissolve and emulsify hard to remove grout and mortar residues leaving the surface bright and film free.

Features & Benefits

- Suitable for interior and exterior use
- Non fuming
- Low odour
- Easy to use
- Pleasant fragrance

APPLICATION

- SHAKE THE CONTAINER FOR 30 SECONDS BEFORE EACH USE
- Apply using a spray or watering can fitted with a fine rose attachment
FOR LIGHT CONTAMINATION: Dilute 1 dose (100ml) in 1 litre of water stir well
FOR HEAVY CONTAMINATION: Dilute 3 doses (300ml) in 1 litre of water stir well
USE NEAT ON HEAVY CONTAMINATION WHICH IS OLDER THAN 24 HOURS
Apply a generous covering over the paved area. Ensure heavy contamination is saturated
- Agitate the surface of the paving with a stiff brush or course tilers' sponge and leave to act for at least 10 minutes. DO NOT LET THE SURFACE DRY OUT ONCE APPLIED
- Rinse well with clean water or use a power washer. A second application may be required for particularly heavy deposits

Precautions

- **Always test a small inconspicuous area before use to ensure surface compatibility, performance and finish is acceptable**
- MAY CAUSE A REACTION WITH SOME SANDSTONE. Test a small area first
- **DO NOT USE ON MARBLE, LIMESTONE, GRANITE OR CALCIUM (LIME) BASED STONE**
- FOR USE AS A CEMENTITIOUS GROUT HAZE REMOVER ONLY
- Keep children and pets/animals away until cleaning process is complete, and surface is dry
- Do not allow to come into contact with plants, shrubs or grass. Scorching may occur
- Ideal operating temperature between 10°C and 20°C
- When used in cooler temperatures effectiveness may be reduced and longer cleaning time may be required
- Do not apply in direct sunlight (Dark Stone can get very hot - ensure the surface is cool to touch)

Storage

- Store between 5°C and 25°C
- Store in a well ventilated area
- Keep out of direct sunlight and protect from frost in original container
- Keep out of reach of children

Health & Safety

- Do not breathe vapours
- Do not get in eyes, on skin, or on clothing
- Wear protective gloves/protective clothing/eye protection/face protection
- Wash hands thoroughly after handling
- **IF ON SKIN:** Gently wash with plenty of soap and water. Take off contaminated clothing and wash before reuse. If skin irritation or rash occurs seek medical advice/attention
- **IF IN EYES:** Bathe the eye with running water for 15 minutes. Promptly wash eyes with plenty of water while lifting the eye lids. Continue to rinse for at least 15 minutes and get medical attention. Remove contact lenses if possible and safe to do so

DANGER
