

EASYCare **Porcelain Cleaner & Sanitiser**

3 litre ready-to-use bottle
1 litre super concentrate bottle
750ml ready-to-use trigger spray

A high-performance cleaner for all types of porcelain tiles, pavers, marble, granite and terracotta.

This powerful and effect water-based cleaner is a non-acidic and non caustic soda formula which is fast acting and safe to use leaving a pleasant fragrance.

Results can be seen quickly without leaving any water marks.

Features & Benefits

- A high-performance cleaner for all types of porcelain and vitrified paving
- Fast acting and safer to use
- Non-acid, non-caustic formula
- Suitable for external and internal use
- Use as a daily maintenance spray
- Concentrated solution can be diluted and sprayed

APPLICATION - ALWAYS WEAR SUITABLE PPE

- SHAKE THE CONTAINER FOR 30 SECONDS BEFORE EACH USE
- Spray a generous even coat and allow to work for up to 5 minutes
- Agitate with a soft brush then rinse clean. DO NOT LET THE PRODUCT DRY OUT
- Use a microfibre mop or cloth to polish before any remaining water marks dry

Precautions

- **Always test a small inconspicuous area before use to ensure surface compatibility, performance and finish is acceptable**
- Remove loose dirt, moss and other debris from the surface prior to treating
- Keep children and pets/animals away until cleaning process is complete and surface is dry
- Ideal operating temperature between 10°C and 20°C
- As a guide ensure the surface is cool to touch
- Do not apply in damp/wet conditions or if rain is expected within 24 hours of application
- Do not apply during frost or when temperature is below 5°C. When used in cooler temperatures effectiveness may be reduced and longer cleaning time may be required
- Do not apply in direct sunlight
- Clean tools and other equipment with warm soapy water immediately after use

Storage

- Store between 5°C and 25°C
- Store in a cool, well ventilated area. Keep container tightly closed
- Keep out of reach of children

Health & Safety

- Keep away from animals including fish
- Do not get in eyes, on skin, or on clothing
- Do not breathe mist
- Wear protective gloves/protective clothing/eye protection/face protection
- Wash hands thoroughly after handling
- **IF ON SKIN:** Gently wash with plenty of soap and water. Take off contaminated clothing and wash before reuse. If skin irritation or rash occurs seek medical advice/attention
- **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Wash out mouth with water. If conscious, give half a litre of water to drink immediately. Transfer to hospital as soon as possible
